REMARKS AFTER ALLOWANCE

Commissioner for Patents:

A routine review of the Patent Application Information Retrieval System (PAIR) was recently conducted for the above-identified application. The Parent Continuity Data section in PAIR for this application needs to be updated to reflect the Supplemental Application Data Sheet of January 24, 2005 and the Response to Notice of Non-Compliant Amendment filed June 16, 2005. In addition, Applicants note that in Inventor Names field, Yuqiu Jiang's name has been inverted to incorrectly list the last name first to read "Jiang Yuqui". Yuqiu Jiang's name has been correctly listed in previous Application Data Sheets.

Applicants respectfully request that U.S. Patent and Trademark Office records be corrected prior to issuance to reflect the updated priority information so that this information is printed correctly on the issued patent. In addition, Applicants request inventor Yuqiu Jiang's name be listed in the correct format on the issued patent.

Should the Examiner need further assistance, please call the undersigned at (206)

~~622-4900.~~

Respectfully submitted,

Seed Intellectual Property Law Group PLLC

William T. Christiansen, Ph.D.
